Dear Friends at Emmanuel,

Last Sunday I printed a thank you to the congregation for the Pastor Appreciation gift you gave to Maryann and Me. I know that not everyone was present in worship that day so I'm reprinting it here.

*Dear Sisters & Brothers at Emmanuel,*

*Maryann and I want to thank you for your unbelievable generosity, kindness and love with your Pastor Appreciation gifts. We are truly blessed to have been a part of the Emmanuel Community of faith for the past five plus years. Your care for us means a great deal to us. We wish you God's every blessing and we'll be seeing you around.*

*In God's love,*

*Pastor Mark and Maryann*

I got though last Sunday without any really emotional moments. Good thing because I

probably would have lost it! Many of you have expressed your gratitude to me, that my ministry at Emmanuel meant a lot and how much you will miss me. Please know that I have the same feelings for you.

My ministry at Emmanuel over the last five years has been a true blessing to me. I am so thankful that I was able to finish my ministry here. You are truly a loving and caring community of faith and that love and care was extended in generous amounts to Maryann and myself. There are not enough words to express my thanks for you.

Please know that Maryann and I hold you all in our hearts and prayers. We look forward to seeing you around the community. May God richly bless you as you continue your faithful ministry to the Gospel in Shepherd.

Pastor Mark

## EMMANUEL LUTHERAN CHURCH WOMEN

Special thanks goes to the women of the work groups who helped prepare and serve the meals for the two funerals we had recently. They did a fantastic job, and were very willing to help. It takes some of the burden off the grieving family members, when someone else takes care of the meal. You ladies were a great blessing.

On the topic of funerals, I was called to the Yellowstone Co. News office, to meet with Jonathan McNiven, in regard to "Obituary Submissions". Sharon Wolske and I visited with him this afternoon, and want to pass the information on to all of you. As many of you know, submitting an obituary to the Billings Gazette is extremely costly, and they keep going up in price. Mr. McNiven is notifying all the churches in the area, and the funeral homes, about the simple, easy, timely and affordable way to submit the notices. He has sent brochures to each of the funeral homes and the churches about their rates,

Women  
of the  
EVANGELICAL  
LUTHERAN  
CHURCH  
IN AMERICA

etc. As he says, handling the death of a loved one is never an easy task. He has put together a brochure to assist families and funeral homes in submitting the death notices and obituaries to the Yellowstone Co. News, and it also goes online, in a quick and easy manner. He will make the posting of your obituary and death notice as easy as possible for friends and loved ones to see and share....and can be called at 406-672-5941 even after hours or on the weekend.

You can email the obituary to: [obits@yellowstonecountynews.com](mailto:obits@yellowstonecountynews.com), include your name, phone #, and relation to your loved one, and let them know if you want it in the newspaper, online or both. You can view your obituary online at the Yellowstone County News website or go directly to: [www.BillingsFuneralServices.com](http://www.BillingsFuneralServices.com). The value of submitting to the Yellowstone County News, is not

# COMMENTARIES OF THE CHURCH MOUSE

Greetings Friends and Neighbors,

It's that time again. Time to fall back, reminds me of some old trust building exercise where you blindly fall back in the arms of a team member who is supposed to be there to catch you. I tried this with Mrs. T.C. one time. She went first and I expertly caught her in my arms saving her from harm. Then it was my turn. I was quite apprehensive about the whole thing, but I gave it a shot. She assured me that she was ready to catch me. I started to fall back and the phone rings. Right before I slammed to the floor, I remember hearing Mrs. T. C. say "Hello"! Oh well, so much for trust building. Anyways we turn back the clocks on the 3<sup>rd</sup>, so be sure to adjust your clock prior to going to bed on Saturday night.

The annual Harvest Dinner at the church is fast approaching. I can hardly wait for the dinner of roast beef and all the fixings. The vast array of pies for dessert is my favorite part. I also look forward to the auction of items in the church that happens in tandem with the Harvest Dinner. There is always a lot of great things to check out and bid on. Of course there are a few pies that are auctioned off too. I hope to see you there.

Last Sunday we had a pot luck meal after church in honor of Pastor Mark's retirement. Sure was a good turnout and lots of great food. Kind of sad for me, as I wonder what I'll do now that Pastor Mark is leaving. Who will I follow around throughout the church? Who will I look up to? Who will lead me in song and keep me in tune? Who will man the barbeque this summer for the weekly church barbeques? So many questions and so few answers. It just goes to show that my old saying holds true. "The only constant in life is change." I'm sure going to miss Pastor Mark, as I know you will too, but I'm happy that he finally

gets to retire and enjoy some of the finer things in life. What new adventures will he and his wife embark on? I hope he stays in touch to let us know what he has been up to, while the rest of us non-retired types trudge on.

Finally on the 28<sup>th</sup>, we celebrate Thanksgiving. Another great feasting opportunity. Turkey, stuffing and all of the fixings. It is always great to get everyone in the family together around a table full of food. An extra day or two away from work is nice too. I hope you enjoy the holiday with your friends and family, spending some quality time together. We really do have a lot to be thankful for. Happy Thanksgiving to you all.

Well, enough for now. Lots to do on the fall honey do list before the snow starts piling up. See you in Church.

Your faithful friend in residence at Emmanuel.

## Church Council Financial Meeting Minutes 10/9/2019

The meeting was called to order at 7:00 pm by president, Meagan Malchow.

**Members Present:** Pastor Mark, Meagan, Liz, Linda, Laurel, Ricker, Brenda, Patty and Jill

**Members Excused:** Dawn, Scott

**Guest Present:** Todd from Big Sky Exterior Designs

To allow Todd to leave, we requested that he start the meeting with his presentation regarding the insurance estimate vs. what he saw needed to be repaired. He stated that he would give us four separate contracts for the 1) windows, 2) roof, 3) siding, and 4) Food Pantry building. He found some discrepancies in the square footage estimated to tear off and replace the roof, vs. the actual square footage. He also wants to clarify the siding square footage as it does not appear that the insurance estimate allowed for inside corner posts or detaching lights. Also, the wrap was not specified in the estimate as just plain wrap vs. 1" foam. Finally, the drip edge square footage does not match to actual. We thanked Todd for his presentation and told him we would get back to him after we discussed the claim and made some decisions. Todd then departed the meeting at 7:30 pm.

Pastor presented the devotion.

The minutes from the September meeting were approved as amended to add Laurel as being present, and to change the organist from Laurel to Laura. Liz made the motion and it was seconded by Jill.

Laurel presented the September Profit & Loss Statement, as well as the YTD P&L. We ended the month in the black with Net Income of \$2,924.53. Laurel paid back \$2,000.00 to the Memorial Fund. We still owe the fund \$4,000.00. Meagan stated that an anonymous member has said they will match up to \$2,000 in "over-and-above" donations to the general fund. She will also announce this opportunity at church. Brenda moved to accept the Treasurer's Report. Jill seconded the motion and it passed.

**Old Business:** Liz stated that we again have the opportunity to raise funds for the Shepherd Area

Food Pantry and will be matched up to \$2,500 by Town Pump. She will bring rugs to church to sell with the proceeds going to this fund raiser. Jill said she can also get the Phillips 66 grant for \$500 to put towards this. The offering from the Barkemeyer Park Church service was just given to us and was \$160.00. This will also go towards the fund raiser.

Ricker reported that our web site is up and running. He encouraged people to contribute content – pictures, articles, upcoming event notices, etc. These can be sent to either Jim McKenney, Ricker or Kyle. We should probably have people sign photo releases before uploading their photos to the website. Pastor said it might be best to hold off having Colter come to

Shepherd to train others how to update the website until after a new pastor has been called. Ricker suggested changing our logo. He said there is a great photo of TJ Green holding his cowboy hat and looking at the cross in Bill Green's pasture. The council was interested in pursuing this and asked Ricker to track down the photo and obtain permission to use it. Jill stated that Robin McCaffrey may be able to help with the graphics.

Attendance at the Family Fun Night has been low. The council agreed to go to just one Wednesday night per month, and picked the First Wednesday to have Family Fun Night going forward.

**New Business:** Meagan suggested having volunteers fix the Food Pantry building. Volunteers from our congregation re-sided and roofed it previously. Doing so again would save us a lot of money that could be put towards bolstering our budget. Liz moved to do this work as a "God's Work, Our Hands" project. Laurel seconded the motion and it passed.

Meagan contacted four different contractors to find someone to fix the hail damage to the church. After listening to Todd from Big Sky Exterior Designs, the council agreed that the most pressing repair is the windows. We are leaking warm air out. Meagan bought plastic to put up on the interior of the windows to help seal them at least somewhat. Laurel moved to hire Big Sky Exteriors for the church repairs. Liz seconded the motion and it passed. It will take at least 8 weeks before the windows will be completed.

(continued on page 5)

[continued from Page 4]

Ricker amended the motion to hire Big Sky for the window contract only. If that goes well, we may hire them for additional repairs.

Meagan stated that Sharon Wolske has said she and the ladies group will get the downstairs carpets cleaned before the Harvest Dinner. The carpets will all be replaced as part of the hail damage bid, but that can't be done before the dinner.

Laura Vanberg will present a Giving Tree at church on Sunday. The tree will have leaves on it that each have an item needed for the Food Pantry. People can take a leaf and bring back the items on it. If folks also bring in their receipt, these donations could be included in the Town Pump matching fund raiser.

The council discussed our budget for Pastor salary for 2020. We feel that we can only afford \$59,500 per year, which would include housing, insurance, etc. With that in mind, it's likely we cannot afford a full time Pastor. 1<sup>st</sup> English Lutheran Church in Billings is in a similar financial situation as we are. When Pastor Rose retires at the end of the year, they likely won't be able to afford a full time Pastor either. We may approach them and determine if we can work out sharing a full time Pastor. Jason Aselstein will be here this Sunday to meet with the Call Committee. Liz and Meagan will attend the meeting and share this option. Linda Oberg has volunteered to put together the bulletins and do the monthly newsletter. Brenda presented that we have pulpit supply coverage so far as follows:

November 3 – Open  
November 10 – John Goodheart, LPA  
November 17 – John Hanson, LPA  
November 24 - John Hanson, LPA

January 19 - Open  
January 26 – John Goodheart, LPA

February 9 - Open

February 16 - Open

February 23 - Open

Several retired pastors, a deacon and several more lay pastors have been approached. Deacon Catherine Card has said she will serve 2 Sundays per month, but has not given us her schedule yet.

Counters:

10/13 – Meagan

10/20 – Liz

10/27 – Laurel

11/03 – Jill

The meeting was adjourned at 9:15 pm.

Respectfully submitted: Brenda Emerick, Secretary

# LOVING SERVICE

(Emmanuel Lutheran Church Women continued from page 2)

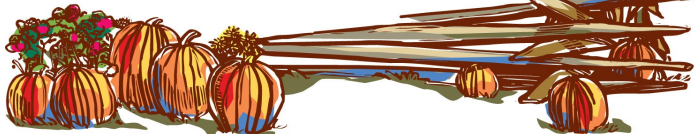

only that it is the most affordable newspaper in the county, but the best value for online., and it is timely and with personal service. The obituaries are uploaded for genealogy research, and also archived in the Billings Library files, also, the newspaper has 7 days a week submission and service. For cost example: \$17,50 is the price to post your death notice online and in this newspaper. To publish in the newspaper, it is \$35.00 for the first 400 words, and for each additional 100 words, it is \$10.00. It costs \$20.00 to publish it online the same day for the full obituary, regardless of length, and includes a picture. Mr. McNiven showed us a comparison for a recent obituary published by the Billings Gazette, which cost over \$1300.00, and the same one published by his newspaper for just over \$100.00.

We will bring some of the brochures to our church, and also to the Seniors Meeting at the Community Center, for your information and future use. Thank you. Dawn Petty 373-6673

We are looking for a Volunteer or Volunteers to help take charge of seeing that the decorations in the church get changed

with the changing seasons of the Church year. If you are willing to help, please contact Laura Vanberg or Abbey Emmons.
